

Computerized Media

Request form

For the purpose of _____, this department (person) request of you to provide the following census/survey data in computerized media. We(I) guarantee that the use of the data are limited to the purpose stated above. We(I) will specify the sources when use your census/survey data, not duplicate, rewrite, distribute and release the electronic file(or CD) of your census/survey data. We(I) will not identify the data or privacy of the natural/juridical persons of your census/survey data.

Name of Subscriber : _____

Institution : _____

Address : _____

Country : _____ Zip Code : _____

TEL.NO. : _____ FAX NO. : _____

E-MAIL : _____

Delivery by :

Air mail Express Self-pickup E-mail

Pricing:

The charge for providing computerized media is calculating by the individual item data volume (is not combined), and the calculate unit is based on MB (Mega Byte).

If the data volume is below 50 MB, you need to pay NT\$ 1000.

If above 50 MB but below 100MB, you need to pay NT\$ 2000.

If above 100 MB but below 500MB, you need to pay NT\$ 4000.

If above 500 MB, you need to pay NT\$ 5000.

The postage and media fee are not included. Please refer to the attached table.

License of statistical data provided by the DGBAS, Executive Yuan

DGBAS obtains and produces all kinds of electronic data according to its authority to release statistical data to relevant applicants through the License and other relevant application mechanism. In order to help you to understand the requirements of the use of licensed data, please read the following contents carefully:

1. The data applied for by the data users according to the terms of this License, without obtaining a written consent of DGBAS, may not be sub-licensed for others to use.
2. The data user shall use the information applied for according to the terms of this License without re-identification of the said data; the data user shall be liable to DGBAS and relevant third parties for any damage others' rights caused by improper use of the data user.
3. In the event that the data user finds that the data can be used to obtain personal information through re-identification conducted by any technology or method, the data user shall immediately cease using the relevant data and has the obligation to notify DGBAS.
4. The data user shall ensure the data security. If the data user finds any infringement of the privacy or other legal interests or benefits of others, the data user shall have the obligation to notify DGBAS.
5. In the event of a violation of the laws or regulations or having any proper reason, DGBAS reserves the right to terminate the license of the data in whole or in part at any time. The data user shall cease using the relevant data upon the notice of DGBAS without any objections. The data user shall not claim for any form of compensation or indemnification from DGBAS.
6. I have read the terms of the License and other regulations carefully, fully understand their contents and agree to comply with them.
